The screenshot shows the SinoPro User Dashboard. On the left is a sidebar menu with items: My Profile, My Store, My Post Enquiries, My Product Enquiries, My Quotes, My Received Quotes, My Products, My Used Products, Wishlist, Credit Form, and Change Password. A red circle with the number '1' points to the 'Dashboard' header in the sidebar. The main content area includes a user profile section with a blurred image, service business details, membership status (not subscribed), and a section to redeem membership with an invitation code field and an 'Activate' button. Below this is a link to 'ENTER MY STORE AND EDIT' with the text 'Upload more than 5 products to activate'. At the bottom is a grid of eight statistics boxes: 19 Picture Uploaded, 1 Product Uploaded, 0 My Used Product, 0 My Messages, 0 Inquiries, 0 Quotations, 2 Wishlist, and 0.00 Credit Limit(USD). On the right side of the dashboard, there are promotional banners for 'Free Upgrading Exclusive ONLINE SHOP', 'SNS PROMOTION', and 'BUY AD SPACE'. A red circle with the number '2' points to the 'SNS PROMOTION' banner. A red circle with the number '3' points to the 'BUY AD SPACE' banner. A red circle with the number '4' points to the 'Activate' button. A red circle with the number '5' points to the 'ENTER MY STORE AND EDIT' link.

1-3 User Dashboard

- 1、Including 11 Points
- 2、Promotion plan on SinoPro
- 3、Redeem your Coupon and claim your membership
- 4、Click here to entre online store
- 5、Total eight boxes :
 - Quantity of images uploaded ;
 - Quantity of products uplaoded ;
 - Quantity of Used equipment upload ;
 - Messages received from sinopro ;
 - Quantity of posted inquiries ;
 - Quantity of quotes ;
 - Products in the wishlist ;
 - Credit facility from SinoPro ;

1-4-1 Conditions to open online store

Freely open with conditions:

6 Financial Service

- This section is set for the people who is interested in our supply chain finance service in the Middle East and Africa. Sinopro will review and issue the credit facility certificate.
- You can enter “Fiancial Service”, and click the button “apply now” to fill your company details and submit to sinopro. For more details, you can check page 08 Credit application form

SinoPro's Financial Service Systems Overview

CNBM SinoPro's finance service system is based upon existing business models and tailored for enterprises involved in E-commerce. Our service members are able to easily become users, receive credit certification, a credit rating and enjoy the benefits of credit. We are also proud to offer purchasing on credit, as well as other value-added services.

Credit Rating
Sinopro's professional risk control team and management team are well-versed in cutting-edge credit rating technology, and combined with CNBM's nearly 20 years of experience in international sales, have developed a reliable credit evaluation process and risk control system.
[View More >>](#)

Credit Services
Sinopro's credit service utilizes a credit evaluation service developed and based upon registered customer credit ratings, allowing those users that meet certain conditions can enjoy a full range of value-added services. Sinopro provides a line of credit according to the customer's credit rating and performance.
[View More >>](#)

Credit Purchasing
Sinopro's service team is staffed with professional purchasing managers, each of which has ample experience with international procurement and customers. They are committed to helping customers source the right product, and the right price.

Service Guide

Register → Transact → Rating → Service Application → Approval → Enjoy Credit Services

FAQs

Credit Rating

Q: How does Sinopro rate its customers?
A: Sinopro's Credit Services users are divided into ordinary members and certified members. Certified Members enjoy improved cooperation, and are divided into three levels – A\2A\3A.
Q: What are the Certified Member rating criteria?
A: Refer to the linked document.
Q: Are Certified Member ratings updated in real time?
A: Certified Member ratings are based on membership information, transaction history, and are updated on at least a monthly basis.

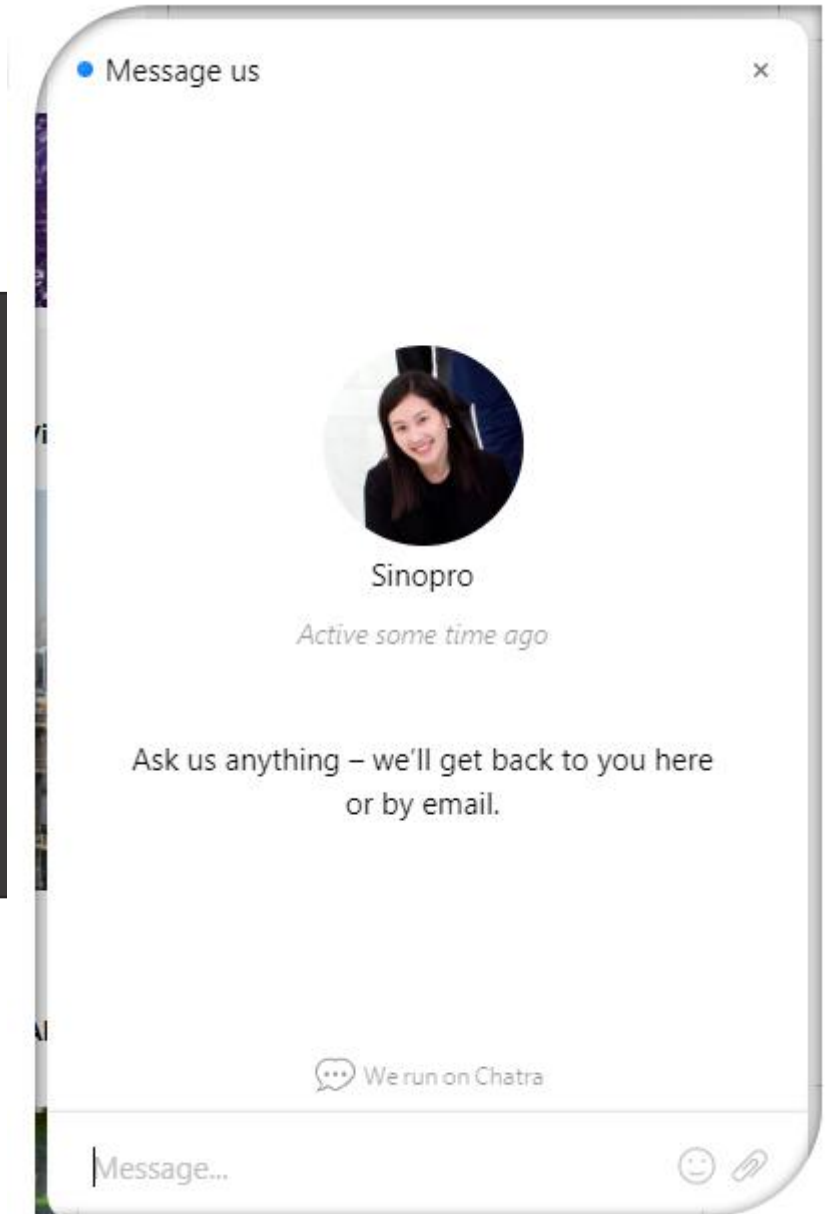

Customer Evaluation

Credit Services
Despite a current lack of liquidity, demand for goods high? There is no need to worry about losing clients, and after Sinopro conducts a credit assessment, all your credit issues are solved.
